

From: Father Rafael Zacarias Garcia

I once again would like to share with you, this simple prayer, along with the Message from the Queen of Peace, of the November 25, 2015.

I greet you all warmly. And you are always present in my prayers.

For the Glory of God and the Triumph of the Immaculate Heart, we have made in Mexico, changes in the coordinating team of the Prayer Groups. We have a team with a good number of Priests, amongst whom I am also part of, and a good number of lay people.

To me, this is a new opportunity to serve The Queen of Peace, now in a different mode.

Please tell: Fr. Verar, Oriol, Miguel and Cristina of the Medjugorje Center Foundation, that I shall continue to help in the International Commission with pleasure and in any way I can be of use.

I feel that this is a new stage in the service that The Queen of Peace is asking of me, and I want to answer Her call with all my heart.

So, here I am, we go forward to Jesus, through the hand of Mary, The Queen of Peace. I commend myself to your prayers.

My regards, a fraternal embrace, and my Blessing in Jesus and Mary,

Father Rafael Zacarias Garcia.-

PRAYER ALONG WITH THE MESSAGE OF THE QUEEN OF PEACE, NOVEMBER 25, 2015

In the Name of the Father, and of the Son, and of the Holy Spirit. Amen

1./ WE INVOKE THE HOLY SPIRIT

“Come Holy Spirit, here I am, with all my past within me, to ask you for peace. Lord, look at the things that I have lived and are hurting me inside. See the anguish and pains that appear because of the past, that does not let me be happy. Come Holy Spirit, enter into my past to transfigure it and renew it. Go through my whole being healing, liberating and illuminating it. Touch all my memories and cure all the pain and restlessness, that these memories cause in my existence.

Enter, Holy Spirit, and heal me of all the sad and painful moments, of all those days that I did not feel loved, or was despised, hurt, used, slandered, forgotten, ignored. Heal my memories. Enter with Your Love and restore all that has been damaged in my heart. Heal my insides and my body of all the bad experiences I lived. Leave only Your immense Peace and Your

tenderness. As if it were a wound that heals and then disappears, so my entire being can be healed from all those memories. And that, which made me suffer does no longer exist. Enter Holy Spirit, heal, restore and mend. Amen.”

2./ WE READ THE MESSAGE WITH OUR HEART, AND IN A SLOW MANNER

<<Dear children, today I call on all of you: pray for My intentions. Peace is in danger, therefore my dear children, pray and be carriers of peace and hope in this world without peace, where Satan attacks and gives all sorts of tests. Dear children, be strong in prayer and brave in faith. I am with you and I intercede for you before My Son. Thank you for having answered my call !>>

3./ WE PRAY TO MARY WITH THE WORDS OF THE MESSAGE

“DEAR CHILDREN”

I place myself again before your gaze full of love. Here I am Mother. Here I am. As a son, I have strayed away from you so many times, but I know that I have never escaped from your gaze. You are so near to me, You do not cease looking into my life. As a good Mother you keep your gaze attentive, silent and vigilant so as to come to me the moment I call You. Mother, here I am. Your Look of love and kindness is always with me. Thank you for the faithfulness of your love. Thank You, for remaining amongst us for such a long time. We say an Our Father, a Hail Mary, and a Glory Be. We pray in silence and with the heart.

“TODAY, I CALL ON ALL OF YOU: PRAY FOR MY INTENTIONS”

Thank You Mother, because no one is excluded from your love. The call is for everyone. We are all your children. Your calling is all inclusive. You call us to pray for Your intentions, and the same time that You, are praying for us. You have us all in your thoughts and in your Heart. To pray for your intentions is to pray for ourselves. It is to accept the plan of help that Your Son has entrusted to You for us. Mother. I always want to pray for your intentions. I want to accept your plan of life. I know what you want and what Your Son wants, and what Your Son wants is the Will of the Father. I open up my heart to the works of the Holy Spirit, so that the Will of God is done on me. Our Father, Hail Mary, Glory Be. We pray in silence and with the heart.

“PEACE IS IN DANGER”

Queen of Peace, Mother of Mercy, I feel in my heart the need for peace. There is too much unrest, I need to be serene and willing towards your Love. Having Peace means, having God.

When You tell us that peace is in danger, is the same as saying, man does not have God. Man is building a world without God. God is needed in our midst so that Peace can shine. The Peace that makes us brothers and sisters. The Peace that reconciles us with the Love of the Father and the love for our neighbor. Today in Your presence Mother, I accept Jesus Christ and the Lord of my life. I want to work each day for my conversion to the Love of the Father, and live in Christ as a bother to all others, letting the Holy Spirit help me trace bonds of true peace. Thank

You Mother, for coming to help us save the peace. Our Father, Hail Mary, Glory be. We pray in silence and with the heart.

“THEREFORE DEAR CHILDREN, PRAY AND BE CARRIERS OF PEACE AND HOPE”

You have taught us Blessed Mother, that peace, is the most beautiful fruit of prayer. He or she who prays has peace, because he or she has God, and in that peace, hope grows. Mother teach me to pray with the heart so that peace shines in my life, and my hope becomes firm and strong. I want to take peace and hope to those who do not have them, To those who have lost it and live amongst the restlessness of these times. Restlessness that only causes death without hope in the heart. Our Father, Hail Mary, Glory be. Let us pray in silence, and with the heart.

“IN THIS WORLD WITHOUT PEACE WHERE STAN ATTACKS, AND GIVES ALL SORTS OF TESTS”

Mary Mother, Queen of Peace. The world has no peace because the world does not have God. When God lives in each heart, peace will be born and the world shall have peace; because peace is God in the heart of man. Whoever has peace in his or her heart, recognizes and acknowledges God as Father, and the rest of mankind as brothers and sisters, then nothing or no one is destroyed. Mother teach me how to fight against evil and against all that impedes me from living the joy, the peace and the hope in my life, and in the lives of my brothers and sisters, so that peace shall shine and rule the world. Our Father. Hail Mary. Glory be. Let us pray in silence, and with the heart.

“DEAR CHILDREN BE STRONG IN PRAYER AND BRAVE IN FAITH”

You encourage us each day Mother, to pray without tiring. Only perseverance in prayer, allows prayer to be strong and firm. Only so does faith strengthens. There is no faith without persevering . There are only good intentions but the heart is empty. We need persevering prayer and a defined faith. Mother help me persevere in prayer. Help me to nurture my faith in constant friendship with the Love of the Father. I open my heart to your Love, and to be led by You in prayer always dedicated and entrusted to your Love. Only in you and with you, my faith will become firm and devoted. Our Father. Hail Mary. Glory be. Lets us pray in silence, and with the heart.

“I AM WITH YOU AND I INTERCEDE BEFORE MY SON JESUS FOR ALL OF YOU”

I want to hear with the heart these words from You, Mother of Love. I want to treasure them in the deepest confines of my soul. Many times I get discouraged and think that I am alone. I ask you Mother that if I fall and cannot get up, that these words from You resonate within me and that I can feel your blessed hands holding me and raising me in the midst of the trials of each day. Thank You Mother, because you always remain faithful in your Love for me and my brothers and sisters. Our Father. Hail Mary. Glory be. We pray in silence, and with the heart.

“THANK YOU FOR HAVING ANSWERED MY CALL”

Only those who love are thankful. Your Love is immense Mary Queen of Peace, you who encourages our lives and fill them with love, when you thank us for listening to your words. You do not demand, do not reproach, do not impose, do not threaten, do not bribe, you simply thank, because being thankful liberates, saves, encourages, raises, moves and strengthens the life of whom knowing him or herself loved, he or she discovers that all that is expected from him or her, is an answer of love. May your love be our peace, may your love be our hope. Our Father. Hail Mary. Glory be. We pray in silence and with the heart.
