

**REFLEXION BY FR. GUSTAVO JAMUT ON THE
MESSAGE OF MARCH 25, 2015.**

"Dear children! Also today the Most High permits me to be with you and to lead you on the way of conversion. Many hearts have shut themselves to grace and have become deaf to my call. You, little children, pray and fight against temptation and all the evil plans which the devil offers you through modernism. Be strong in prayer and with the cross in your hands pray that evil may not use you and may not conquer in you. I am with you and pray for you. Thank you for having responded to my call."

REFLEXION

When we do not travel the road of permanent conversion, led by the hand of the Queen of Peace, we do not have the necessary strength to fight against temptations and we lack the energy and correct direction so as to take the Love of the Lord to those who have become deaf to His callings and the callings of the Mother.

Thus, the Virgin Mary teaches us that conversion and coming close to God are a permanent process, an movement from the soul that is to last a lifetime, and the means to walk towards this, is prayer, and the inner purification of our thoughts, motivations, intentions and emotions, which in turn they will all be transmitted into our words, attitudes and daily decisions.

Just as someone that in order to read and see more clearly the print in a book, get closer to the lamp from the light comes from, we too are coming closer to the one who teaches us to read in the book of our lives, and guides us so we can write the chapters that are to come; knowing that, under the inspiration of the Lord, those chapters ought to be the most beautiful ones.

So we are not kept away from the light by the temptations of the evil one and for our being lukewarm, we must be attentive, as there will always be forces from the outside, but also from within ourselves, that would to drag us into the land of darkness. However, thanks to prayer, to the Faith and perseverance, we can win.

These are difficult times, but are also times of very special graces, for these who know how to make the most of the messages from the Queen of Peace.

PRAYER

Virgin Mary, Queen of Peace, bring me with your tenderness and mildness to a deep encounter with the God of life, and tie me with links of love, so that I do not stray away from His ways, nor stop living His will.

I know that in you, Mother, my soul rests serenely and I do not have to fear nothing or no one, since I count on your protection and help. Amen
