

EXTRAORDINARY MESSAGE FROM THE VIRGIN MARY QUEEN OF PEACE ON MAY 11,
2015 AT THE BLUE CROSS OF MEDJUGORJE THROUGH IVAN

COMMENT FROM IVAN AND THE MESSAGE OF THE VIRGIN MARY

« This afternoon, the Virgin has come joyful and happy, and, at the beginning, as always, She has greeted all with her maternal greeting: “Praised be Jesus”. Then, for a period of time the Virgin has extended her arms, She has prayed over all of us, and in a special way over those of you who are present and sick, Then the Virgin has said:

“Dear children, also today anew I desire to call you that through this time you pray for my intentions – for my plans which I desire to realize by my coming here. Pray, dear children, and be persevering in prayer. The Mother prays with you and intercedes for all of you before Her Son. Thank you, dear children, for also today having responded to my call.”

Then the virgin has blessed us all with her maternal blessing, and also blessed all the religious articles you have brought. Then the Virgin continued to pray for all for a certain period of time, and with this prayer she has left in the sign of the light and the Cross saying: “Go in Peace, dear children of mine”

COMMENT FROM FR. FRANCISCO VERAR

The virgin once more presents herself to us as Missionary of peace in a world without peace. But at the same time, She tells us that, in the same way, She needs missionaries of peace. How? Above all, with our prayers. We can all be missionaries of peace, in our different walks of life: the laity as lay persons, the priests as priests, the religious as religious...but all praying for a common goal that the Mother presents to us today in her intentions, for a special peace project that God has placed on Her hands and must be carried out. Therefore, the Blessed Virgin needs all of us, and all of us can help Her, now more than ever. So in this Novena of Pentecost that starts on May 15, we must pray it for the intention that the virgin Mary has placed before us: For her plans in Medjugorje. From the heart lets us help the Mother who needs us. All of our efforts, prayers, fasting, small sacrifices, Eucharistic Adorations, can all be channeled towards that need. The Mother thanks us.
